

Specialist equipment

“Thank you to Into Sport. I don’t think anything would have happened if you hadn’t helped.”

Sometimes you need specialist equipment to help you do sport and it’s not always available.

Amanda likes to swim at the outdoor pool when the weather is nice but needs a hoist to get in and it doesn’t always work.

Sam from Into Sport Richmond went swimming with Amanda one day. Sam called the pool to make sure the hoist was working. They said it was but when they got there, they found it needed a new battery. The manager was very sorry and promised to get a new battery. Sam called every day to check and after a week the hoist was working again.

If you are having problems getting equipment you need to do sport, then there are people who can help you. Into Sport and Interactive can support you to talk to your local sport provider about equipment you need, or can help you find other ways to access equipment.

Do you want to get into sport?

Into Sport is a unique three-year project managed by Inclusion London and funded by Sport England, designed to encourage Deaf and Disabled people over the age of 14 at all levels of ability to take part in sport or physical activity.

The project is working with Deaf and Disabled people's user-led organisations in five London boroughs (Barnet, Greenwich, Lambeth, Richmond and Southwark) to offer advice and support to Deaf and Disabled people interested in getting active.
